TERRIBLE RACE WAR BREAKS OUT IN TULSA, OKLAHOMA

Over 75 Reported Killed in Battles Between Negroes and Whites and 10 Squares Burn—City Is Placed Under Martial Law

(By Associated Press)
Tulsa, Okla., June 1—Further riots occurred here today between hundreds of armed white men and negroes.

Meanwhile a great fire is raging in the negro section. Ten square blocks are in flames with negroes snipping firemen, who are helpless to stay its progress.

All this time a battle was in progress between negroes, entrenched in houses, and armed white men. As guns popped, negroes fell in exposed places with here and there a white man hit and while no accurate count of the dead is possible, it is estimated at least six white men and 50 negroes have been killed. The list of wounded is apparently heavy.

State troops arrived from Oklahoma City early in the forenoon and found the city in battle array. They immediately began rounding up negroes and within a few hours had more than 2,000 herded in the city hall and other public buildings and in the fair grounds under guard.

This apparently caused no diminution in the firing which reached such a point Gov. Robertson placed the city under martial law with Adjutant General Barrett in command.

The riot began last night when a negro was arrested, charged with attacking a white girl. Immediately negroes appeared in motor cars, intent on freeing the imprisoned negro.

Within a few minutes bands of white men rushed to the jail, while other patrolled the city. The tension grew until finally a shot was fired. Fighting then became general most of the night and broke out afresh early today.

The proclamation of martial law was extended to cover entire Tulsa county. At noon it appeared the fire would be confined to the negro section.

DR. JASPER'S BELOVED MOTHER GOES HOME

Mrs. Maria Jasper entered life eternal Wednesday morning, June 1st, at the home of her daughter, Mrs. A. P. Mitchell, near Nicholasville. All that medical skill and the loving ministrations of her devoted family were hers, but the loving useful life came to its close.

Mrs. Jasper was in her 88th year, and had enjoyed the most perfect health until about eight weeks ago she was seized with acute Bright's disease, and due to her advanced age, there was little or no hope for her recovery from the beginning.

Mrs. Jasper was noted for her life of devotion to her family and her friends, and it can truly be said she scattered sunshine and cheerfulness into every home she entered, and her memory will linger long in the hearts of her friends.

Surviving her are three children, Mrs. Alonzo Mitchell of Nicholasville, Mrs. George McClure of Danville, and Dr. H. C. Jasper of this city, who have the deepest sympathy of their friends.

Funeral arrangements had not been completed when the Daily Register went to press, but interment will probably take place in Nicholasville by the side of her devoted husband, Dr. F. M. Jasper, who passed to the great beyond many years ago.

HIS NEIGHBORS ENDORSE ANGEL

Knowing Judge G. B. Angel as we do by living near and being in contact with him, and he being a candidate for the democratic nomination for County Judge of Madison county, we feel it our duty to make the following statement for the benefit of those who may not know him so well.

He is honest in that he always tells the truth and pays his debts; public spirited, making the sacrifice to church and schools and roads necessary in his community; well informed on all public affairs; a man of deep convictions, undaunted courage and unflagging energy, open-minded and eager to gain information; willing at all times to co-operate with the best minds and thoughts for the great underlying principle in which we believe and for which we know he is ready and willing to fight. Therefore, we recommend him as a gentle, upright man worthy a place on the ticket for the office he seeks, and if nominated we have not a doubt of his success in the final race.

With six years a Justice of the Peace and four years County Judge of Laurel county, he has the necessary experience with all the affairs pertaining to County government, and we will have one of the most ideal officials the county has ever elected.

The foregoing is respectfully submitted for the thoughtful consideration of the voters of Madison county.

After a number of years' service in several official capacities, Mr. W. E. Blanton is today asking the democratic voters of Richmond for endorsement of his public service, and promotion to higher honors. He announces his candidacy for Mayor of Richmond, subject to the primary on August 6th.

He is thoroughly familiar with the city's executive and financial affairs in every detail, and his friends believe that his experience along all lines amply qualifies him to make a splendid Mayor.

HOPE TO CLOSE DRIVE WEDNESDAY

Richmond Methodists hope to "go over the top" in their drive for \$5,000 for their Christian Education Fund at prayer meeting Wednesday night. Campaign Chairman C. C. Wallace and his aides have been much gratified with the generous response that has been made so far, and they are confident their goal will be realized when the rally is held on Wednesday night.

Early reports received at headquarters of both the Kentucky and the Louisville Conferences of the Methodist Episcopal Church South, indicated that many of the churches had succeeded in oversubscribing their quotas in the \$33,000,000 Christian Education Movement, although the appeal beginning Sunday, May 29, will not end until June 5.

If the sum of \$520,000 is realized in the Kentucky Conference, which embraces Lexington, Kentucky Wesleyan College at Winchester, will benefit largely in that its facilities for religious training will be augmented. The total amount sought in Kentucky is \$1,200,000, the Louisville Conference quota being \$600,000. Six Kentucky schools and colleges in all would benefit by the movement, which is directed at obtaining an awakened spiritual feeling in the church and a greater supply of trained Christian workers.

Reports on the subscription made in various churches are now being received by W. W. Ball, Maysville, financial director for the Kentucky Conference, and Dr. O. B. Crockett, Winchester, educational secretary.
